Re: Parent Planner 2021-22 - Year 5

Dear Parents,

How has half a year gone already? I cannot wait to see what more we can achieve together moving into the second half of the year. So many exciting prospects and opportunities for the coming term so I am looking forward to seeing how we get on.

To support you with your awareness of what is happening in our school, we will continue to send out a half termly parent planner which will list all information about subjects and information about homework to be completed by your child.

It is vital that your child keeps their learning alive at home and completes any homework on time **to a high standard** so they can make the most of their learning experience. Homework should be independent where possible with any comments recorded in their home / school diary or on Teams so I can be aware and continue to support your child in school. **Please do not worry over homework - the most important thing is to have a go.**

I look forward to working together during the future.

Kind regards,

Mr Macdonald

Adults - please use the Canine questions that will be in the home / school diary. We are focusing on a canine each week to check your child's understanding about what they have read. It is important that children read for pleasure but also that they understand what they are reading.	Expectation 5-10 minutes per session	Rewards House points and reading challenge rewards.
Grammar and Spelling 	Look at the Statutory Spellings / Common Exception words sent home by your teacher - work on these at home. These will be retested each term. Grammar bug can also be used to support this. Check your home / school diary to see if there are any words listed in there. Classroom display has been created to aid this too!	5 minutes per session	House points given Spelling bee challenge
Targeted Homework 	All extra homework is targeted according to need so if your child has struggled in a particular area they will receive targeted strengthening homework for this. Likewise, if your child needs to consolidate the learning or to deepen their understanding further. It could be maths, grammar, spelling, comprehension or even Handwriting. Please check Teams for this as an assignment will be set. This may include a teaching video attached to further support. This will also be recorded in your child's diary.	15 minutes depending on focus As necessary, Maximum one piece a day.	House points given
Online extras 	TTRS / Numbots is a great resource to practice basic skills in Maths. It is expected that you child knows all times table and division facts to 12 x 12.	5 minutes	House points given Weekly certificates

Home learning for our topic on

Here are some creative tasks that your child could do to make them into incredible learners. I look forward to seeing your creative projects.

Please complete any or all of them if you like:

- Host a Zoom or Teams video chat with a family member.
- Create a habitat in your garden for insects (bug hotel).
- Create your own monster and write me a description. Draw a picture to support it.
- Make a Norman inspired shield.
