Parent Planner

Class: Ribble

Term: Spring 2

08 March 2022

Re: Parent Planner 2021-22 - Year 6

Dear Parents,

Welcome back to class Ribble! Where has the year gone? It will be essential for us all to continue to work with the children to ensure they make great progress in their learning, linked to SATs and also the run up to high school.

To support you with your awareness of what is happening in our school, we will continue to send out a half termly parent planner which will list all information about subjects and also information about homework to be completed by your child.

It is vital that your child keeps their learning alive at home and completes any homework on time to a high standard so they can make the most of their learning experience. Homework should be independent where possible with any comments recorded in their home / school diary or on Teams so I can be aware and continue to support your child in school. Please do not worry over homework - the most important thing is to have a go.

We look forward to continuing the second half of the year!

Kind regards,

Mrs Porter
Year 6 Class teacher

Peter Perseverance says: 'Perseverance is the hard work you do after you get tired of doing the hard work you already did.'
