Re: Parent Planner 2021-22 - Year 6

Dear Parents,

Wow Team Ribble! We only have 1 term left and you will be flying off to high school!

To support you with your awareness of what is happening in our school, we will continue to send out a half termly parent planner which will list all information about subjects and also information about homework to be completed by your child.

It is vital that your child keeps their learning alive at home and completes any homework on time to a high standard so they can make the most of their learning experience. Homework should be independent where possible with any comments recorded in their home / school diary or on Teams so I can be aware and continue to support your child in school. Please do not worry over homework - the most important thing is to have a go.

We look forward to having you with us for your final term!

Kind regards,

Mrs Porter
