RE: New statutory curriculum of Relationship Education and Health Education  
2020/21

Dear Parent / Carer,

You may well have seen in the national and local press that certain elements of Personal Social Health Education (PSHE) are now compulsory. These are the areas of Relationship Education and Health Education. As a school, we must have implemented these curriculum changes by September 2020 and the Department for Education is giving strong advice to start teaching them from Summer 2021.

If you would like to know more about what your child will be learning, you can find it by following this link, relating to the new legislation:

To ensure your child gets the very best teaching in these areas we have chosen to use an award-winning resource - 1decision. 1decision is part of Headway Education and has been kitemarked by the PSHE association - the effective governing body for the subject in the UK - as being a quality assured product. The 1decision resources have been developed over the past seven years and each module has been created by PSHE and Safeguarding experts together with schools, and most importantly children. If you would like to like to find out more about them, you can visit their website: [www.1decision.co.uk](http://www.1decision.co.uk)
